

Example: Search a keyword in the journal database. The following is the result page that displays all records.

The screenshot shows the Wanfang Data Knowledge Service Platform search results page. The search term is 'nobel prize'. The page displays a list of search results with filters for subject categories, years, and publication types. Three buttons are highlighted with red circles and arrows: 1. '全部' (All), 2. '仅全文' (Full-text only), and 3. '海外市场已购全文' (Full-text purchased in overseas market). The first result is a paper titled '人乳头瘤病毒及宫颈癌疫苗的研究——解读2008年诺贝尔生理学或医学奖' (Research on Human Papillomavirus and Cervical Cancer Vaccine - Interpreting the 2008 Nobel Prize in Physiology or Medicine).

Explanation:

There are three buttons in the line above the search results.

- ① “全部”
- Click this button to display all search results.
- ② “仅全文”
- Click this button to only display the records which include full-texts.
- ③ “XXXX 已购全文”
- Click this button to only display the records that a subscriber may download the full-texts (or which full-texts a subscriber has access to).
